

# COMPANY PROFILE

United Solutions is a trading and manufacturing company specialized in detergents and cleaning solutions.

We focus on providing high-quality products, private label solutions, and flexible manufacturing support for businesses looking to build strong and reliable cleaning brands.

Our work is based on quality, consistency, professional packaging, and customer-focused service.

## WHO WE ARE

01

A detergent trading and manufacturing company focused on quality, consistency and professional market-ready products.

## WHAT WE DO

02

We provide detergent products, private label manufacturing, product development, packaging support and business-focused supply solutions.

## OUR STRENGTH

03

Premium product presentation, flexible production, clear communication and commitment to consistent quality.

## PRIVATE LABEL SOLUTIONS

04

We help businesses build their own detergent brand through custom packaging, product selection and professional branding support.

## OUR PRODUCTS

05

Car shampoo, detergents, surface cleaners, hand wash, tire shine, glass cleaner and other cleaning solutions.

## QUALITY COMMITMENT

06

Every product is developed with attention to performance, appearance, packaging and customer satisfaction.

### PREMIUM QUALITY

High quality ingredients and professional formulations.

### FLEXIBLE PRODUCTION

Small to large scale production with flexible solutions.

### PROFESSIONAL PACKAGING

Attractive, durable and market-ready packaging.

### TRUST & SUPPORT

Reliable communication and dedicated business support.
